

COMMUNITY BABY SHOWER

September 9th - 27th

Parenthood can be overwhelming for anyone, but it can be especially difficult for expectant parents who already struggle to make ends meet. The Ventura County Medical Center Auxiliary is holding the Community Baby Shower to help ensure that new and expectant parents have the vital supplies for their little bundles of joy.

Help us collect items for our youngest community members by donating baby & toddler necessities to the Community Baby Shower!

Donations will be distributed to Ventura County Medical Center and Santa Paula Hospital patients in need.

Items Needed:

- Diapers
- Baby wipes
- New clothing - premature to 18 months
- New carseats
- Baby hygiene products
- New baby toys

Donations Welcome September 9th - 27th, 2024
